

Dear Loyal Customers,

We hope you and your families are well and that everyone is staying safe and healthy. We are yearning for a sense of normalcy when we can freely spend time with friends and family.

We wanted to give you an update regarding this upcoming Fall semester. We have been working tirelessly to come up with a lunch program that will suit your child's health needs, while also promoting social distancing and hygiene.

We plan to distribute boxed lunches for the students to enjoy during their lunch period. The boxes will be pre-packaged and pre-heated. Our number one priority is your child's health and safety and we will continue to hold cleanliness and health at our highest standard. The boxes will include a protein, a starch, a vegetable, a fruit and all the disposable utensils needed along with a bottle of water.

Our efforts will not stop once the school year starts, as we will continuously update the menu based on feedback from the students and faculty.

We hope you and your families will continue to support our small business by signing up for this school lunch program as you always have.

We want to hear from you! Please feel free to respond to jerusalempizza@hotmail.com with any questions, concerns or feedback. If you have any ideas on how to make this lunch program even better, please let us know. Attached is the lunch form for next year. For those with credits from last year, please email with child's (children's) names for credit amount.

Thank you for your support as always.

We hope to see everyone soon!

**All the best,
Elliot**
